Menu Selections

Menu selections must be confirmed no later than 5 days prior to the event. If selections are not made by this date, your event sales manager will select a menu for you, choosing our most popular items.

Event Set Up

We allow the host to arrive a maximum of 1 hour prior to the event start time.

Please let your event sales manager know if you are arriving prior to your guest arrival time. We allow you to decorate the private dining room with the following exceptions: no material to be affixed to the ceiling, walls, floors, light fixtures. No confetti, glitter, or anything similar.

Room Minimums

Private dining spaces may be assigned a minimum food and beverage price based on the day of the week and the time of the event. The minimum represents the dollar amount that must be spent to secure the room privately.

If the room minimum is not met, an additional charge will be added to the final bill. Sales tax and service charge do not contribute to the minimum food and beverage requirement.

Guest Count

A guarantee of the final number of guests is required 3 business days prior to the event. If the host does not confirm the guest count, then the original number of guests, as specified on the special event agreement, will be utilized as the guaranteed number or actual number, whichever is greater.
